

You are invited to the launch of
a **new board game!**

Mind the Gap: Tackling Digital Exclusion

Join us for a lunchtime* training and learning opportunity, as we explore digital barriers that are experienced by many people in our region who draw on social care and other services.

Watch and interact with our team of researchers as we play a giant board game, during which we will learn how and why people in our region are being digitally excluded, and hear from experts with solutions to these issues.

When: 12:00 Monday 4th November

Where: Millenium Galleries, Sheffield City Centre
